The Class of 1963, New Bedford Vocational High School

Foreword

As we look back on our four years at Voke, we remember the four best years of our lives. For us, this yearbook will be a reminder of those four years and will help us to remember the good times and eventful days spent at New Bedford Vocational High School.

Miss Dorothy Reynolds
Miss Claire Riley
Mrs. William R. Smith

The Class of 1963 is graduating at a time when a paradox exists in the field of employment. Despite persistent unemployment there are thousands of positions unfilled because there are not enough adequately trained people to fill them.

As graduates of New Bedford Vocational High School, you are fortunate that you have been prepared by education and training to become more productive and versatile. Productive, versatile people will build a stronger and better America.

You have earned your diplomas. Your determination, your dedication to school work over these past four years is certainly a reflection of the interest your parents have in your welfare. Without this concern, assistance, and understanding, graduation might not have been possible. You owe them a great debt of gratitude.

The Board of Trustees and the faculty join me in congratulating each of you on your splendid accomplishment. We wish all of you the blessings of success, health, and happiness.

FACULTY

Dedication

DEDICATION TO MR. FULLER

The Graduating Class of 1963 of New Bedford Vocational High School is pleased to honor Mr. Carroll H. Fuller by the dedication of the Mariner 1963. The class feels that the twenty years of service which Mr. Fuller has contributed make him worthy of being so honored. His long service to the electrical department of New Bedford Vocational High School has contributed to the progress made by this valuable department of the school.

We are grateful and happy to hereby dedicate the Mariner 1963 to Mr. Fuller.

Dedication

DEDICATION TO MISS GOGGIN

The Class of 1963 is pleased to dedicate the Mariner 1963 to a deserving person who has spent much time in the betterment of Vocational High School. Miss Margaret M. Goggin, History and Civics teacher in the Household Arts Department, has assisted in many activities from which we have truly benefited. Among her many projects: Traffic Squad; Teen-age Book Club; The Exchange Club; Voice of Democracy Contest; Foods Class Instruction at St. Mary's Home.

These are only a few of the varied activities that Miss Goggin has sponsored to our advantage, and at this time we should like to offer our sincere thanks and appreciation by the dedication of our yearbook, THE MARINER 1963.

IN MEMORIAM

November 21 will be remembered as a day when vocational education lost one of its greatest supporters, WILLIAM R. MACKINTOSH.

Mr. Mack, as he was affectionately known to all those associated with him, was born in Dundee, Scotland, on August 19, 1899. He came to America a year later and attended public schools in Ludlow, Mass. He was graduated from Ludlow High School, and upon graduation entered Clark University in Worcester, where he majored in chemistry. From Worcester he transferred to the University of Vermont, where he made a name for himself in athletics. In 1912 he was graduated from U. of Vermont with a B.S. in Electrical Engineering.

Before coming to New Bedford, Mr. Mack worked for Western Electric and General Electric, Lynn, Mass. From Lynn, Mr. Mack came to New Bedford in 1917 and was appointed head of the Electrical Department at New Bedford Vocational High School. Here began one of the greatest careers in vocational education. In 1918, William R. Mackintosh became Director of New Bedford Vocational High School, a position which he held for forty years until his retirement in 1958.

Mr. Mack's continuous drive towards betterment of vocational education resulted in benefits for thousands of young students who will always be grateful to him. In Mr. Mack, vocational education gained one of its greatest benefactors and educators.

Mr. Mack's career was one of unselfish and untiring work and devotion to education and athletics. Successful men in all walks of life have enhanced the communities in which they live because of his dynamic guidance. Many fine athletics were the products of his generous contributions. For thirty-six years he gave of his time and efforts without monetary remuneration in the field of sports, so that youngsters might have the benefits of healthy, supervised athletics. When he finally stepped down and unwillingly left his beloved Voke in retirement, he left behind a monument to his great work.

Mr. Mack said a short time ago, *"I've had a wonderful life, and if I had to do it over, I would do exactly the same thing."* That was William Robertson Mackintosh, inspiring athletic coach, dedicated teacher, and able and dynamic administrator. So long, Mr. Mack.

A TRIBUTE

TO

MRS. ANITA DIXON

A very respected, Efficient and dedicated Manager of the Cafeteria, who has given unstintingly of her time and energies to the entire school, we offer this tribute as an expression of our thanks and appreciation.

Future Plans — To be an architect.

DANIEL MACHADO — Welding

"12 *Speed*"

555 Prescott Street, New Bedford

Hunting.
Future Plans — Steam-fitter.

IN MEMORIAM

The Senior Class of 1963 has lost a dear friend in the death of Paul P. Nadeau. Paul lost his life in an automobile accident on the state highway on September 24, 1962.

Paul attended St. Anthony's grammar school and Normandin Junior High School prior to his enrollment as New Bedford Vocational High School. At Voke, Paul was entered in the Carpentry Department, and spent his school years doing his best on every job he undertook. He became deeply engrossed in his trade and had intended to build his own home in the future. Paul had a great many ideas and goals, however he was unable to complete his desires due to being called by The Almighty for a job larger and more important than he could ever have expected on earth.

Paul was well liked by the faculty and all the student body. He always had a kind word for everyone and will be remembered for his friendly smile and jovial manner. It appears at this time that words fail us in attempting to describe the true loss we feel with his passing. All of us will remember him as having been a part of us, a part that can never be erased with the passing of time.

"He that hath a Trade ····· hath an Estate."

CLASS
WILL
5

Class Will

By the Class of 1963

1—Janet Boucher leaves a box of lozenges for Mrs. Roderick's laryngitis.

2—Lucille St. Jean hates to leave.

3—Evalynne Turner leaves a lot of happy school days.

4—Leslie Sousa leaves a pair of high heel sneakers with cleats for Jackie Boucher.

5—Nancy Tripp leaves hoping her cousin Kathleen will have as nice a time as she.

6—Jackie Martel leaves quietly.

7—Barbara Domingos leaves Mrs. Murray some pot holders.

8—Elaine Leger leaves a bottle of vitamins for the gym class.

9—Mary Gomes leaves No. 25 basketball uniform to some lucky varsity player.

10—Pauline Thibault wishes to leave with a diploma.

11—Barbara Pearson leaves all the pleasant memories to a lucky Junior.

12—Barbara Tavares leaves her traffic badge to a future member of the traffic squad.

13—Nancy Kirby leaves Prose and Poetry for the unfortunate Juniors.

14—Sandra Cova leaves Mr. Cambra a quiet second year.

15—Mary Gushue leaves wide awake.

16—Peggy Tighe leaves the dirty backwash.

17—Diane Forand leaves the girls traffic squad to some other chief to try to manage.

18—Alice Burgo leaves on time for once.

19—Manuel Teixeira leaves unfinished cost cards.

20—Albert Cravinho leaves his class instructors all waiting for his homework.

21—Robert Beaulieu leaves Mrs. Wobecky and Mrs. Cameron in peace.

22—Paul Jason leaves with the feeling he won't be missed.

23—William Fillion leaves while he has the chance.

24—Leo Lague leaves his lunchbox for someone with an appetite as big as his.

25—James Arruda leaves with a putt, putt, putt on his scooter.

26—John Ashley leaves his ability to get to the girls building to anyone who likes girls.

27—Kenneth Okolski leaves Mr. Rogers another speech from Julius Caesar.

28—Edgar Bonneau leaves while the going is good.

29—Don Hamel leaves with a sore back.

30—Ray Millette leaves the Show Time choreography to another ambitious student.

31—Emery Langlois leaves thankful and grateful.

32—Dennis Lavoie leaves 307 quarts of oil that leaked out of his engine on Hillman Street.

33—Roger Bisson leaves Mr. Baker his thanks.

34—Alfred Monteiro leaves down the "UP" stairway in Electrical Dept.

35—Walter Szczepan leaves his lantern planter to a Freshman.

36—Franklin Rothwell leaves his cold to Mr. Rogers.

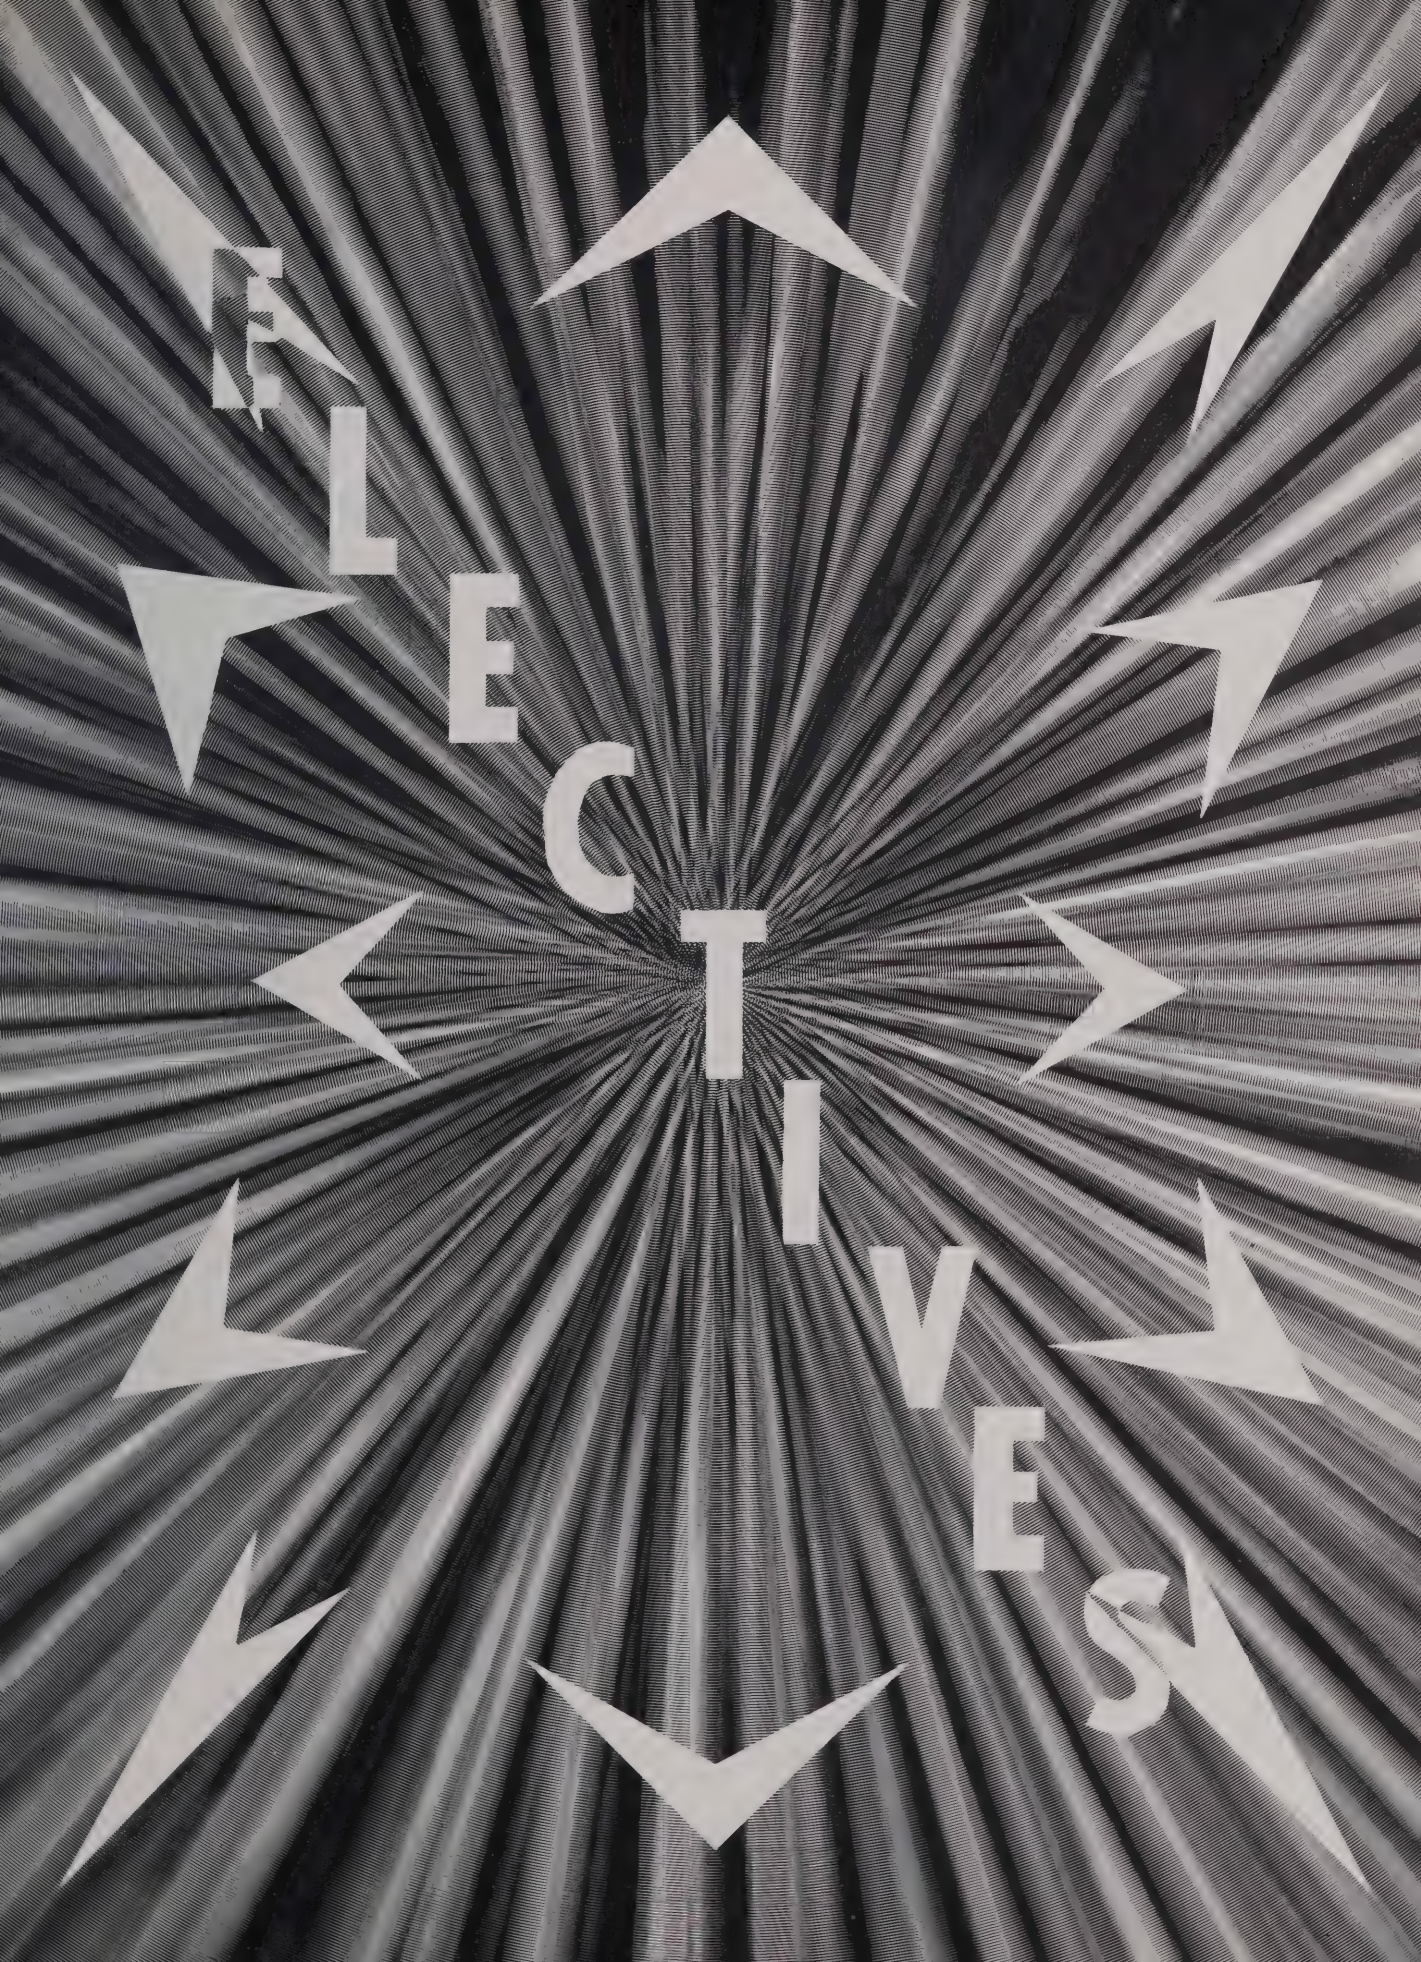
37—John Madeira leaves the left-handed chairs he never got from Mr. Barbero.

38—George Smith leaves Mr. Duval a salt shaker for next year's salty seniors.

39—Ferd Bessette leaves Mr. Duval two fudgicles.

40—Joe Ignacio leaves nothing; he's going to take everything with him.

Academic Teachers



ELECTIVES

Key Club

Key Club

The Key Club is a service club for boys, sponsored by the New Bedford Kiwanis Club. Each week two boys from the club attend a Kiwanis Club luncheon meeting at the New Bedford Hotel where they meet important business leaders and listen to talks on various aspects of civic and national issues.

The main objective of the club is to serve the school and the community. Keeping school grounds clean, escorting visitors to the school throughout the plant and conducting a model assembly are Club Projects. Other services performed for the community included taking the children from St. Mary's Home to Edaville, to football and basketball games, and giving them a Hallowe'en party. The club also assists the Red Cross and Kiwanis Club with their many projects.

In order to conduct some of the proceeding service projects the Key Club conducted several money-raising projects. Some of these included selling football pamphlets, pencils and peanut brittle. The boys in the club also sold soda at the basketball games and sponsored a successful dance.

The club officers for the 1962-43 season: Paul Forand, President; James Kershaw, Vice-President-Treasurer; Mr. Joseph Barbero, Faculty Advisor and Mr. Milton Gollis, Kiwanis Advisor.

The club was able to make the 1962-63 year a successful one through the cooperation of all the members and the advisors.

The Traffic Squad

The Traffic Squad is an organization of girls from the Household Arts Department who direct traffic, keep the girls in single file when walking through the corridors, promote safety and order in their building and in the locker room at dismissal time. Each member is selected on the basis of capacity for leadership and ability to assume responsibility. An important quality is the ability to give orders discreetly and be able to take criticism, no matter how difficult it might seem at the time.

Being a member of th etraffic squad is not all work and no play, for the members take an annual tour to an educational institution of their choice.

Honor Society

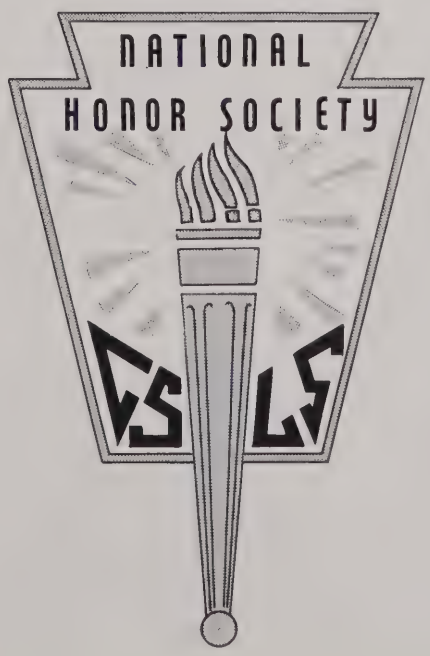
The technical chapter of the National Honor Society was started last year at Vocational High School. The Society includes students whose grades average 85% and above. The meetings of the society are held usually once every three weeks in the projection room. Executive meetings are held periodically in the library of the academic department.

The organization encourages the student body to better itself scholastically and is willing to help anyone in bettering his grades.

Members this year numbered twenty-five and the officers included: John Madeira, President; Fran Macomber, Vice President; Diane Blanchette, Secretary, and Susan Edwards, Treasurer.

Committee chairmen:

Ways and Means: Kenneth Okolski
Publicity: Janice Gomes
Scholarship: Janet Canastra
In-School Project: Lucille Neves
Assemblies: Janet Boucher



The Future Nurses Club

The Future Nurses Club consists of thirty-seven members. The club's officers for the 1962-63 season: Lucille Neves, President; Diane Blanchette, Vice President; Alice Burgo, Secretary, and Francine Ramos, Treasurer.

Meetings are held once each month from October through May. Last year the club obtained a charter from the National League for Nursing. The Future Nurses Club is not a social organization. Its purpose is to help its members decide whether they are suited to careers in the health field. Through the year the club has speakers on subjects related to nursing and makes one field trip to a hospital which may or may not be on school time.

During the holiday season the club gives a small party for a local rest home.

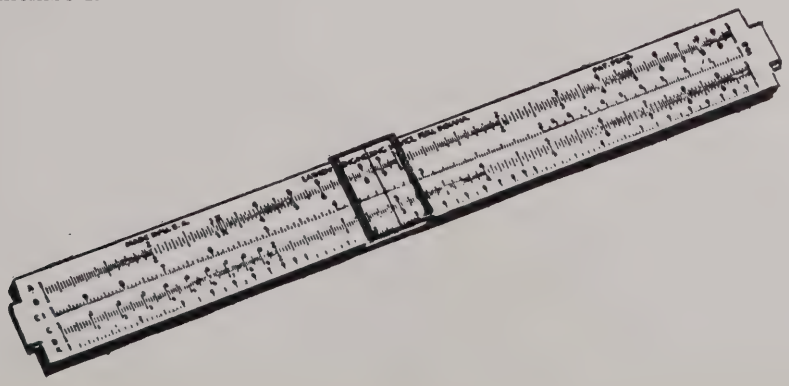
Selling candy was the club's project for the scholarship fund. The Future Nurse's Club is under the excellent supervision of Mrs. Mary Wobecky and Mrs. Doris Wilson.

Slide Rule Club

The five-year old Slide Rule Club, under the guidance of Messrs. Duval and Barbero engaged in another successful year in 1962-63. Members of the club meet twice each week after school in the physics laboratory.

Students interested in learning the fundamentals of slide rules: multiplication and division, squares and square roots, decimals, and various methods of solving mathematical problems and of making estimates may do so in club periods.

Emphasis continues to be in aspects of the slide rule as it is useful in the respective trades of the members.

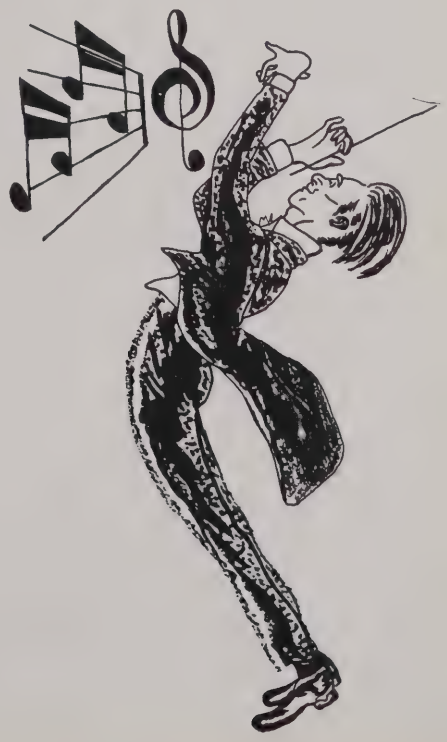


Nursery School

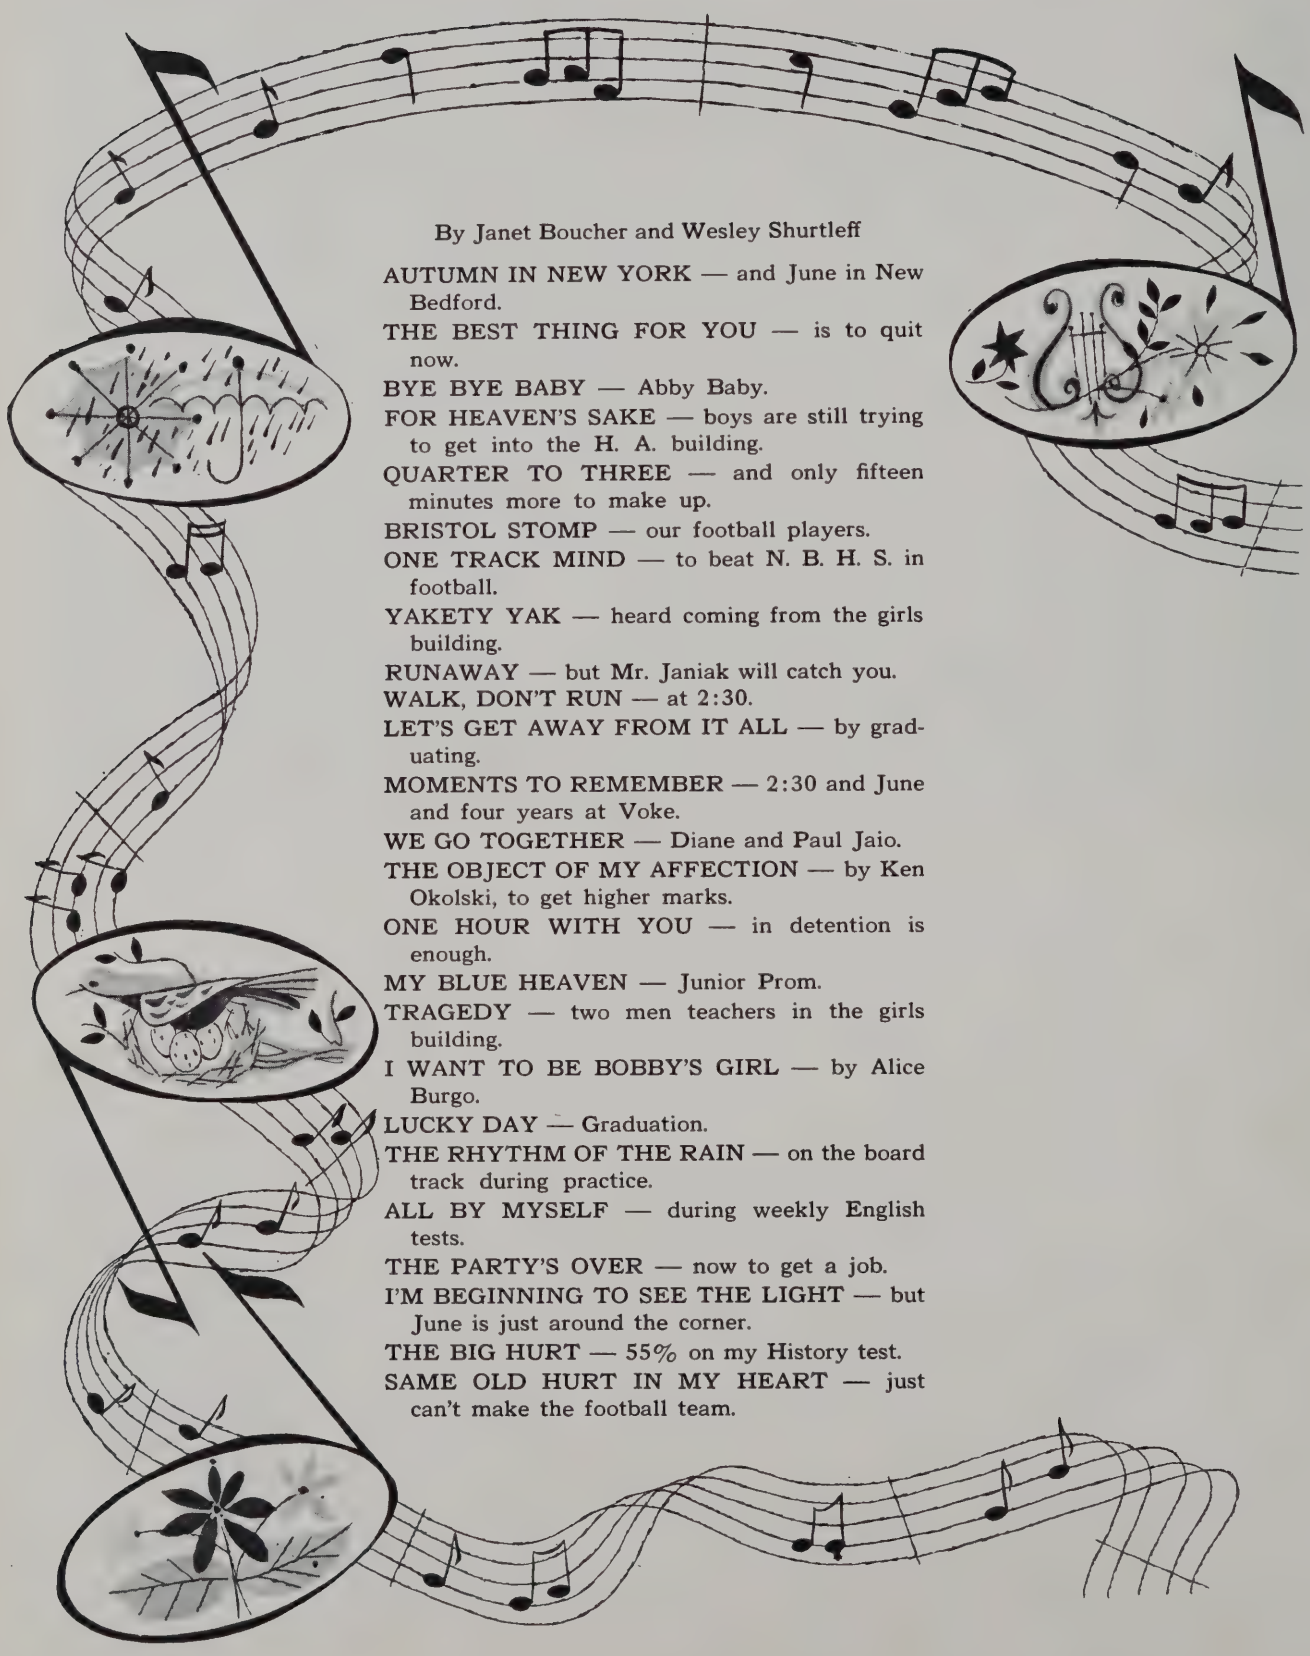
The Nursery School at New Bedford Vocational High School provides a happy and wholesome morning for all children who attend the sessions. It also provides the Junior girls with a knowledge and understanding of the pre-school-age child. These morning sessions are comprised of free play, musical rhythms, clay modeling, handiwork, lunch and a storytime. The Nursery School is under the supervision of Mrs. Thelma Bagley.

Glee Club

The Glee Club's membership is comprised of girls in the Household Arts Department. The club was organized in 1947 and is under the direction of Mr. Rodolphe Godreau. The girls meet each Tuesday afternoon from 2:10 to 3:00 p.m. The club performs at special assemblies, the annual Style Show, and Showtime. The Glee Club has also appeared during Music Week at NBHS.



these titles remind us



By Janet Boucher and Wesley Shurtleff

AUTUMN IN NEW YORK — and June in New Bedford.

THE BEST THING FOR YOU — is to quit now.

BYE BYE BABY — Abby Baby.

FOR HEAVEN'S SAKE — boys are still trying to get into the H. A. building.

QUARTER TO THREE — and only fifteen minutes more to make up.

BRISTOL STOMP — our football players.

ONE TRACK MIND — to beat N. B. H. S. in football.

YAKETY YAK — heard coming from the girls building.

RUNAWAY — but Mr. Janiak will catch you.

WALK, DON'T RUN — at 2:30.

LET'S GET AWAY FROM IT ALL — by graduating.

MOMENTS TO REMEMBER — 2:30 and June and four years at Voke.

WE GO TOGETHER — Diane and Paul Jaio.

THE OBJECT OF MY AFFECTION — by Ken Okolski, to get higher marks.

ONE HOUR WITH YOU — in detention is enough.

MY BLUE HEAVEN — Junior Prom.

TRAGEDY — two men teachers in the girls building.

I WANT TO BE BOBBY'S GIRL — by Alice Burgo.

LUCKY DAY — Graduation.

THE RHYTHM OF THE RAIN — on the board track during practice.

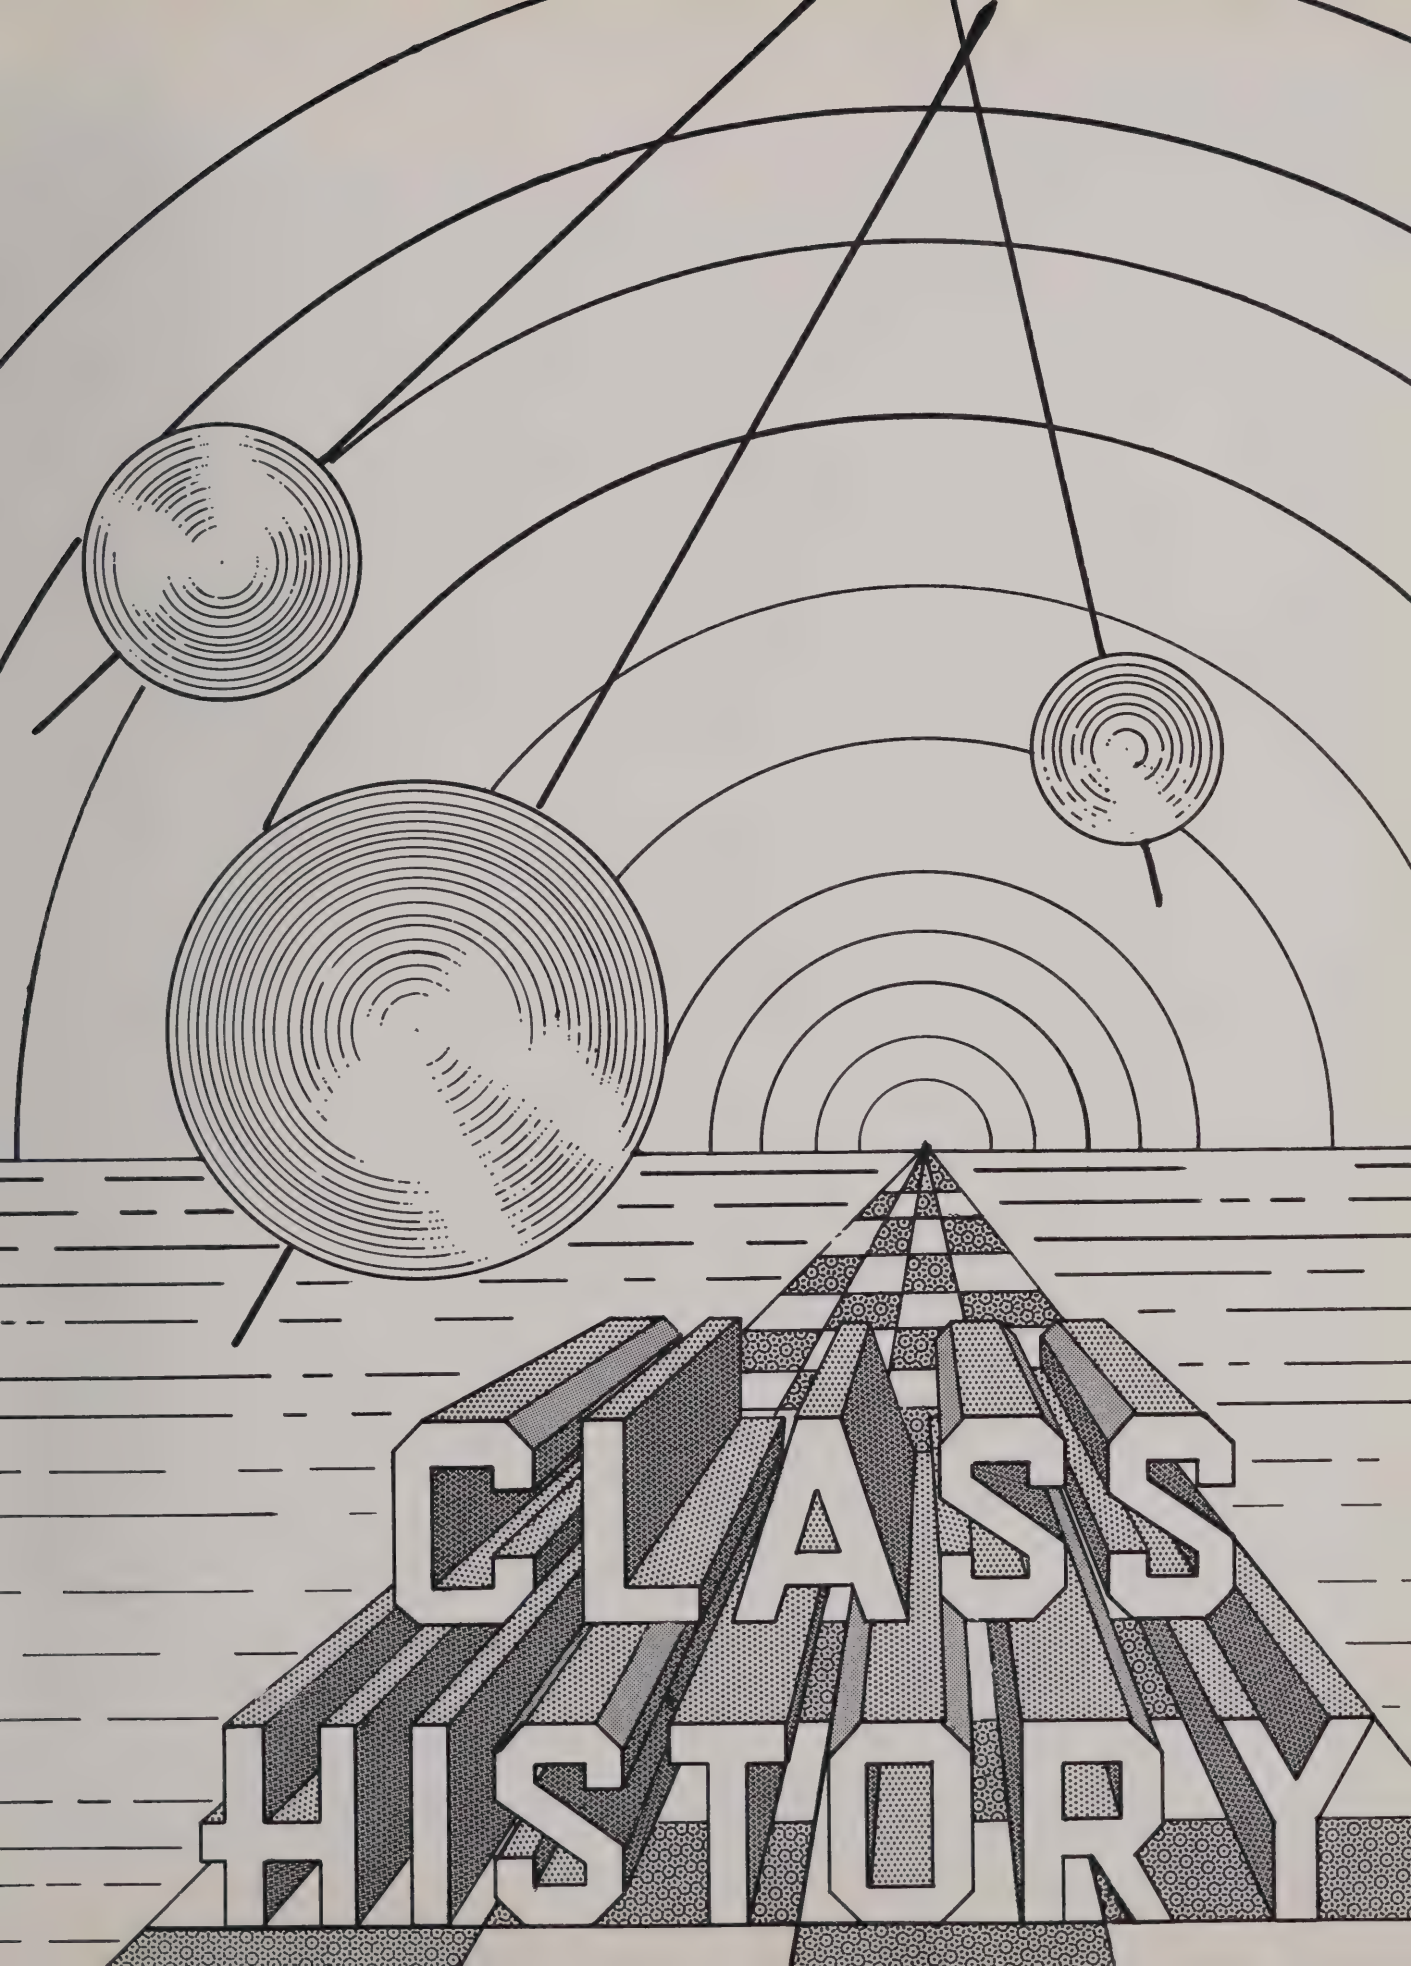
ALL BY MYSELF — during weekly English tests.

THE PARTY'S OVER — now to get a job.

I'M BEGINNING TO SEE THE LIGHT — but June is just around the corner.

THE BIG HURT — 55% on my History test.

SAME OLD HURT IN MY HEART — just can't make the football team.



CLASS
HISTORY

Class History

By Diane and Paul Forand

Dear Diary:

SEPTEMBER 1959

We entered the portals of New Bedford Vocational High School as Freshmen, looking forward with great enthusiasm to our four years at Voke.

OCTOBER 1959

Our first great event as Vocationalities was the "Welcome, Freshmen" Dance sponsored by the Juniors of that year. Patricia Holland was chosen by the Juniors as Freshman Queen at the dance with JoAnn Grasela and Diane Cayer as her ladies-in-waiting. During this year we quickly got acquainted with our schedule and our new environment. Our football team thrilled us with a 12-12 tie of New Bedford High School.

JUNE 1960

Our branch of the National Honor Society was organized.

SEPTEMBER 1960

Here we are, Sophomores at Voke. Nothing extraordinary happened this year. We studied, went to ball games, and school dances. During this year we were filled with great anxiety and anticipation about the up-coming Junior year, for we would soon be upper classmen.

SEPTEMBER 1961

Finally we were upper classmen and proud of it, too! Before planning any activities we elected class officers. Kenneth Sousa, President; Diane Forand, Vice-President; Sandra Cova, Secretary; and Jess Raphael, Treasurer were elected by the student body for the year.

We began our activities by sponsoring the "Welcome, Freshmen" Dance. It turned out pretty well and this made us feel quite good. This was the year when our boys built the school organ. It was used for the first time that year during the Christmas Assembly.

JANUARY 1962

Right after the holiday we organized our excursion to the Ice Follies. We'll always remember the bus ride, the restaurant, and the fun that we had at the show itself.

MAY 5, 1962

This was the greatest evening of the year, THE JUNIOR PROM. It was an evening of glamour, excitement, and happiness. The judges chose Paul Forand as king and Diane Forand as queen, unaware that they were brother and sister.

JUNE 1962

We planned our Class Outing at Ted Williams' Camp and the experience there was a thrilling one.

We left in June for our summer vacation, looking back to our successful preceding year and grateful to Mr. Frank Almeida and Mrs. Glorianna Roderick who did their best to make the Junior year the success that it was.

SEPTEMBER 1962

UNBELIEVABLE! We were Seniors and almost ready to graduate. This was our busiest and fastest year of all. We started the year by electing the following capable class officers: Emery Langlois, President; Mary Gomes, Vice-President; Susan Edwards, Secretary; Raymond Millette, Treasurer. Mr. Edward J. Barrett and Miss Mary Ellen Cronin were our Advisors.

DECEMBER 1962

Our holiday season was brightened by sponsoring the "Senior Holiday Dance".

JANUARY 1963

We were already beginning to take steps towards graduation, as our Senior Banquet was held at Stevenson's.

APRIL 1963

Some of the boys in our graduating class left school for the service and others for various jobs in their trades.

JUNE 10, 1963

Graduation night was to be in just two short days and on this day we were all going on our class outing at Lincoln Woods, R. I.

JUNE 11, 1963

Our high school years would soon come to an end. This was our Senior Prom, a night of fantasy, dreams, and glamour. We all were in gay spirits anticipating the following evening, graduation night.

JUNE 12, 1963

As last we had reached our goal; we were graduating. Looking back to our preceding four years brought many memories. Facing reality was like a dream, for we were all going our separate ways; some were going on to further education, some were entering the service, others were getting married, and still others were being employed in various jobs relating to their trades.

While feeling overjoyed that graduation had finally arrived, sadness, nevertheless, filled our hearts because we were leaving the classmates with whom we had become friendly during the four years at Voke. We were sad, too, to be leaving the school itself, but grateful to the faculty members for the knowledge we had gained during the time spent there.

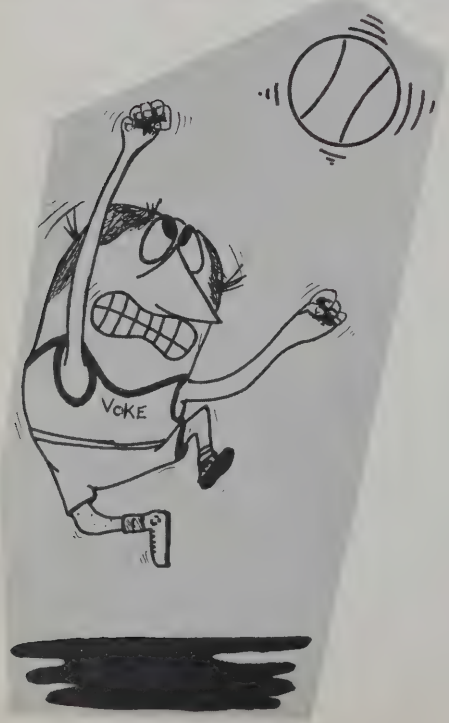
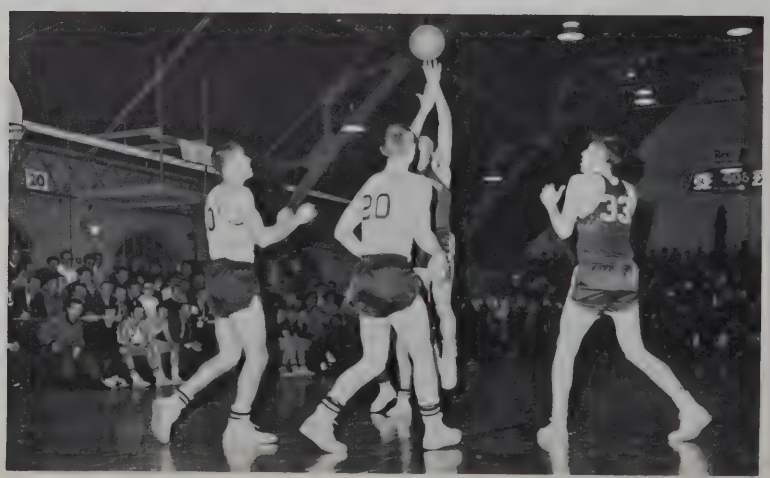
1962 - '63 SCOREBOARD

New Bedford	79	Voke	59
New Bedford	55	Voke	50
Attleboro	35	Voke	37
Stang	62	Voke	74
Taunton	59	Voke	64
Fairhaven	39	Voke	44
North Attleboro	48	Voke	58
Durfee	67	Voke	37
Coyle	59	Voke	51
Attleboro	52	Voke	59
Stang	57	Voke	62
Fairhaven	50	Voke	47
North Attleboro	51	Voke	62
Durfee	73	Voke	51
Coyle	74	Voke	54





The 1962-63 season opened on a dark note, as Voke lost two games back-to-back to arch-rival New Bedford High 79-70 and 55-50. Not disheartened by these two set-backs, however, the boys were able to bounce right back with five straight victories without a defeat. Under the astute guidance of Messrs. Barbero and Driesen, the team found itself pointing once again to a berth in the Tech Tourney at Boston Garden.

One of the early thrills of the season was the defeat of Attleboro in the Jewelers own gym, 37-35 and following this one was another thriller against Fairhaven, a seat-squirmer all the way, in which Voke prevailed 44-39.

One of the year's hardest and most bitterly fought contests also came against Fairhaven in Hammond Gym, but this time it was Fairhaven coming out on top in overtime 50-47.

With the exception of the first game against New Bedford High, the only other game which was never in doubt was the first Durfee encounter as the Hill-Toppers romped 67-37 at Fall River.

The season's record:

Jamboree:
Voke 1—N. B. H. S. 0
Voke 6—Attleboro 0
Voke 0—Wilbur 2
Voke 1—N. B. H. S. 0
Voke 6—Durfee 0
Voke 0—Diman Voke 0
Voke 1—Westport 0
Voke 1—Attleboro 0
Voke 0—Wilbur 2
Voke 0—N. B. H. S. 0
Voke 3—Durfee 0
Voke 1—Diman Voke 0
Voke 2—Westport 1
Totals: Won 9 Lost 2 Tied 2

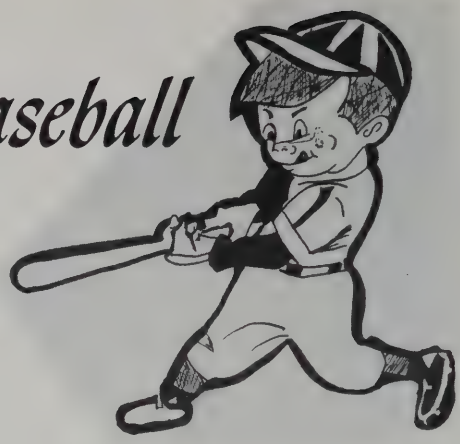
Coach Ken Pearson had his first winning season during 1962, as Voke's booters acquired two championships, the Bi State League and the Eastern Massachusetts Invitational Tournament. The season's campaign trail was a rough one, and hotly contested as Voke rose to the occasion, losing only two games all season. The 1962 team, which has been playing together for three years, is one which richly deserved the laurels heaped upon it. The top performers of the team were Frank Cunha, Manny Pereira, Steve Pelczar, George Amaral, and Butch Deree. Frank Cunha, leading performer on the forward line, as shown by his fourteen goals, was the man who gave the team most of its punch. Manny Pereira, who is one of the league's best center halfbacks, was always on the spot when there was a play to break up. He will be greatly missed next year.

Playing their last season for Voke were Ronnie Perry, Senior, and Manny Pereira and Warren DeBarros, both of whom will be ineligible next season.

By virtue of their winning the Bi State League title, the team was invited to the Eastern Mass. Invitational Soccer Tourney held at M. I. T.'s Briggs Field. The team drew a bye in the quarter-finals and played Sharon High School in the semi-finals, winning 1-0 on a third period goal by George Amaral. In the finals, Voke played Lincoln-Sudbury Regional High School and came out a smashing 3-0 victor on two goals by Frank Cunha and one by Glenn Pearson. Both Frank Cunha and Manny Pereira were selected as Players of the Week by The Standard-Times.

The soccer team was tendered a banquet at the school in honor of its fine showing at which time all players were awarded championship jackets. It was also learned at that time that there was a possibility of a South American tour for the boys of the soccer team, during the summer.

Baseball



1962 RECORD

VICTORIES		DEFEATS	
Attleboro	3 - 2	North Attleboro	1 - 2
Stang	10 - 9	Taunton	0 - 1
Fairhaven	7 - 2	Coyle	7 - 10
Taber	7 - 6	Durfee	2 - 4
North Attleboro	3 - 2	Coyle	8 - 12
Taunton	2 - 1	Attleboro	2 - 6
Taber	2 - 1	Fairhaven	2 - 4
Stang	12 - 7		

The team was strong during the 1962 campaign all the way "down the middle." The pitching that was done was excellent and the games which were lost were by small margins, usually by no more than two runs. Dick Sauve proved to be one of the best pitchers in the Bristol County League, and both Joe Botelho and Frank Cunha were invaluable behind the plate, Joe with the stick and Frank with the glove. The batting of the team was poor at times, and the team had to rely on its pitching to pull it through some of the close ones. Only one game was lost by more than three runs.

With the valuable experience of a full year behind them, the boys should be ready to take the field with the best of them in 1963.

Golf

The golf team, under the coaching of Mr. Bettencourt, had a very successful season in 1962, and the boys are pointing towards another good year in 1963 with many returnees of last year's squad.

THE 1962 SEASON RECORD:

Voke 7½ — Coyle 1½
Voke 7½ — Coyle 1½
Dartmouth 7 — Voke 2
Dartmouth 6 — Voke 3
New Bedford High 4½ — Voke 4½
New Bedford High 8 — Voke 1
Voke 7½ — Taunton 1½
Voke 8 — Taunton 1
Voke 6½ — Durfee 2½
Voke 7 — Durfee 2

Members of the 1962 Squad are Bob Smagacz, Tony Ballestracci, Louie Ballestracci, Richard Sykes, Ronald McKay, Paul Jaillet, and Bob Wilson.

Track

The 1962 track season, while not a winning one, did offer promise for 1963, as the boys showed to advantage on several occasions, giving evidence that they would be a team to contend with the following season. The best effort was in a triangular meet with Durfee and Bishop Stang, as the team mastered the Stang forces, but was overpowered by the strength of Durfee's large squad. A fine team effort was also shown at Taunton, late in the spring campaign, as the Artisans came within a solitary point of their first dual-meet victory, losing 39-38, in a meet which was a see-saw battle all the way. Only a sweep of first and second place in the 1 mile run by Taunton kept the team from the victory Circle.

Excellent performances were turned in throughout the season by Co-Captains George Sylvia and Leo Burgo as well as by Bob Edwards, John Burgo and Brad Santos, all of whom won their varsity letters. Ronald Perry, John Sweeney, Joe Pasteris, and Wayne VerCammen also performed creditably and narrowly missed winning their varsity letters. Prospects are good for a great many more letter-men in the 1963 season.

Cross-Country was revived briefly at Voke in the fall of 1962, but the popularity of soccer and football cut into the planned turnout, and plans for the sport had to be scrapped for the season, as an insufficient number of men remained on the squad.

Sidelined by illness at the start of the winter, Coach Rogers was replaced for the indoor season by Francis Holt, former Track Mentor at Voke, who came back to coach on the board track dedicated to him in impressive ceremonies in January of 1962. Mr. Rogers was scheduled to return for the spring season, when an expanded Bristol County League promised a good deal of action for Voke's runners. It has been several years since Voke has finished on the plus side of the ledger in track, but everyone here is hoping that our day is "just around the corner".

The indoor track season was highlighted by the formation of the Southeastern Massachusetts Indoor Track League, presided over by Voke Indoor Track Coach Francis Holt. Track meets were held each Wednesday afternoon for seven weeks during January and February at which time all schools in the league engaged in competition with one another. The season was dominated by Dartmouth and New Bedford High, as they finished in a tie for the league championship. The season was brought to a close with the all-league meet, held on Voke's new board track and once again, it was a close battle between Dartmouth High and New Bedford, with New Bedford's "B" team walking off with meet honors, as Dartmouth ran a close second. Voke ran up a total of twelve points, good for fifth place, as George Sylvia highlighted the meet for the Artisans with high big win in the 50 yd. dash in the excellent clocking of 5.7 sec. George had previously qualified for the finals with a time of 5.6 sec. in winning his heat.

Schools which took part in the indoor league included: New Bedford High School ("A" and "B" teams), Dartmouth High School, Fairhaven High School, Somerset High School, Old Rochester Regional High School, Lawrence High School of Falmouth, and New Bedford Vocational High School.

Team Coaches

BASKETBALL

Shop League

SOFT BALL

Machine Shop emerged victorious this year, by virtue of a playoff game.

The first half of the season saw Machine Shop win with a 6-0 record.

In the second half, it was Auto on top of the league 4-0.

Because of this, a play-off game was needed and this all-important game was played as the preliminary to a varsity game, with Machine on top at the end, 36-33.

Last year's baseball league was won by a combined team of Steam Engineering and Drafting. They finished the season with a record of 4-1, their only lose being against Auto 25-16.

1962

JOE'S
SLOPPY
HASH HOU..

MEMORIES ARE MADE OF THIS

The time that four Seniors sneaked food for a starving cat and fed him in the store-room, then couldn't get rid of him.

The day Lucille St. Jean broke the large beater in the cafeteria.

The day Leslie Souza caught her foot in a chair in Mr. Duval's room during a fire drill.

The election of Lucille Neves to the presidency of the Future Nurses Club.

The day Elaine Leger dropped powdered milk all over herself and looked like a ghost.

The Junior Prom.

The suspension of the Senior girls in 1962 for three days.

The time that Nancy Ann Townley broke a girl's kneecap while playing field hockey.

The Junior Class Outing.

The time that Dolly Lopes yelled, "Beat that Voke team", while cheering for our boys at a game.

Peggy Tighe's sneezing in Miss Burchell's room.

Graduation.

Alice Buro hitting Lee on the head with the ham bone.

The field trip to Mr. Goldrick's "farm".

The day that Lucien Berard was hung by his belt on the crane.

Receiving the diploma.

Playing sports.

The Senior Class Outing.

The adoption of "The Key Club Story" written by Leo Lague as the national Key Club song.

Time spent in the girls building.

Putting in the new gym floor ("My back still hurts").

Dennis Cafferty's qualifying for Boston Garden in his last year of eligibility.

Tieing N.B.H.S. in football.

Franklin Rothwell's dancing class in Room 204.

"Friends, Romans, Countrymen, lend me your ears".

The Senior Prom.

Writing out an assignment for Mr. Abraham 2,000 times.

Steam Engineering's three-day vacation.

Beating N.B.H.S. twice in the same season in basketball.

The soccer team's fabulous showing in 1962.

Upsetting Attleboro in basketball in 1963.

What's So Funny!

By the Class of 1963

HO HO!! HAH HAH!! (What's so Funny?)

(with caricatures of boys and girls laughing hysterically)

1—Jackie Bernier getting lost in the girls building and having to be led by the hand to the right room.

2—The cafeteria strike by the girls.

3—Madeleine Trudeau getting squirted by a fish which Mrs. Stringer was disecting.

4—The time that Lucille Seales got locked in the broom closet.

5—The day that Jesse Raphael's car couldn't pass safety inspection.

6—When Patrick Botelho found his hammer had been painted on one side.

7—The time that Emery Langlois accidentally spilled India ink on Manuel Martin's drawing.

8—The time that Dennis Lavoie saw his girl hanging from a window.

9—The time that Arthur Mandeville was left hanging from a tree in the Common when someone accidentally took the ladder away.

10—Franklin Rothwell's dancing classes in Room 204.

11—When Robert Caron got hit with the cardboard boxes in Electrical Department.

12—The time that a small boy took Paul Davignon's screw driver at the Common and threw it away.

13—Working on the public address system in the girls building.

14—The time that Mr. Lewis asked Alfred Monteiro to give Noel Martin a hand with a math problem and Alfred did so by applauding him.

15—The time that Paul Daprato got locked in the closet.

16—When Ray Roy got thrown into the water at the Jr. Class Outing.

17—When Mike Champagne tried to put out a fire and fell in the puddle of water.

18—The time that Steve Polar and Ronald Krough got caught playing drums on the oxygen tanks.

19—The day that Ferd Bessette erased his name from the board in Mr. Duval's room.

20—The sketches in Show Time.
